Reception and help for foreigners

Immigrants of fixed residence - Who to turn to?

Do you need counselling and welfare for families, minors and the elderly?

You can access the service at the headquarters of your district. There, after a first **advisory interview**, a social worker will be at your disposal to analyse your social problem and identify with you the most appropriate solution.

Do you need to enrol your child in a day nursery or an infant welfare facility? (children of 0-3 years)

To **calculate the rate payable** for enrolment of your child in an infant welfare facility (day nursery, small nurseries, home childcare-Tagesmütter) apply to the headquarters of your district.

Immigrants of fixed residence - Who to turn to?

Do you need financial support for your fundamental needs?

You can benefit from the service if you are:

- a citizen of an **EU** State or **refugee recognised** according to the Geneva convention and have at least six months' uninterrupted fixed residence in the province of Bolzano;
- a citizen of a **non-EU** State and have at least five years' residence and uninterrupted fixed residence in the province of Bolzano;
- a citizen of a **non-EU** State and have at least six months' residence and uninterrupted fixed residence in the province of Bolzano. In this case financial social support will be limited to two months per year and may be extended only in case of serious need.
